and to come to this worthless drivel is a total insult to me and all the previous a.. There is nothing wrong with Heir to the Jedi, but there's really nothing outstanding about it either.. NEW YORK TIMES BESTSELLER A long time ago in a galaxy far, far away A thrilling new adventure set between A New Hope and The Empire Strikes Back, and—for the first time ever—written entirely from Luke Skywalker's first-person point of view.. And honestly a particularly good narrator saved it from being a one star book It was mildly entertaining at points, but I can't recommend it, even to the most die hard star wars fan, because it didn't really feel like a real star wars story.. I recently read (and loved) Honor Among Thieves, which ended up being the last book published under the Legends continuity.. I mean I went in thinking this was going to be exciting and action packed with a lot of Hearne's witty banter tossed in.. Heir To The Jedi Hardcover About Heir to the Jedi: Star Wars NEW YORK TIMES BESTSELLER A long time ago in a galaxy far, far away.. The novel is set in between A New Hope and The Empire Strikes Back and follows a young Luke Skywalker dealing with life after destroying the first Death Star and being fully involved in th.

All things are connected in the Force, and I feel more connected to Luke after reading Heir to the Jedi.. Luke Skywalker's game-changing destruction of the Death Star has made him not only a hero of the Rebel Alliance but a valuable asset in the ongoing battle against the Empire..
